## St. Julian's

Island of everlasting sunshine!

### SPRACHCAFFE – St. Julian's

Malta, one of Europe's southernmost countries, lies between Sicily and North Africa. This island nation presents you with absolutely everything you could possibly dream of from a truly inspirational language holiday: excellent climate, sunshine the whole year round and Mediterranean flair.

St. Julian's is the pulsating heart of Malta. Lined with the trendiest restaurants, bars, shops and entertainment, it is a district that never sleeps. Our school is located ideally right on the border to Pembroke. Students have the best of both worlds: the world of entertainment and also the peace of our campus during night. The coastline is only 5 minutes away.
